1. I will give you peace and I will give you rest as you speak My name and speak My words and accept Me and all that I have done for you without complaining, without compromising, without doing that which needs to be done by others, should be done by others, others that you will have to help do it, that will operate at My direction, yea, in My trust, in My arms, coming to Me continuously in Worship Central, knowing from which directions come and who their superiors are, yea, in My kingdom, My kingdom which comes in righteousness, holiness, mercy and judgment, piercing asunder utterly destroying the judgment of man, five senses reigning no more. I love you and I give you Me; and I give you speakers of speakers to elevate and lift now and reign in My kingdom, yea, as platforms you build for many, opening doors and relationshiping My body on levels high and highest, higher. I love you. I thank you.
2. I give you Me and I give you rest and I come to this WeekWorks mildly not. I come in joy and laughter and even as you, yea, laughed tonight at My "rocket-pult," and some of My funnies lately that I enjoy. I come in joy and laughter. I come in peace and cataclysmic accord of only Me and peace'd turbulence. Not in perfect agreement, not in perfect peace, yea, but in one accord. The pursuit of truth, the pursuit of Me, the pursuit of My voice, My passion, My heart, and My altogether loveliness coming forth in every participant. Freed, freed and freeing each other. Yea, I love you and I give you Me.
3. You will not live here long for in My house you reside. In My home you reside, in bricks made of only Me, and stone of My mortar, of My making, that you like so much. I love you and I give you Me. **Fireplaces many, cozy and comfortable, yea, for the hours you will spend with Me.** I love you and I give you Me, My finest, more than you want, for you have asked for so little, you are pleased so easily, you joy at My touch, you tear at My moment's notice.
4. Yea, My sensitive and **super sensitive come to be repaired, replaced not, yea, re-alivened, given My heart, transfusion of My blood only, yea, to come forth in My Mighty Many.** Watch Me. The strewn, the strewn about, those who have been worthless to others, especially others in leadership and thought these of no value, yea, strewn them about and let littered and treat them as litter: yea, **it is these that I arise now into the holiness and righteousness, and yea, that bear My name, Holy of Holies on their forehead and into the Holy of Holies come now daily and into Me, seeing Me, speaking Me, being Me, coming into My Worship Centrals many as they make worship and worship centers of freedom and worship freedom centers all around My globe.**
5. I love you and I give you Me and I give you pounds many, shillings often, presses of

only Me. There is no lack whatsoever in My body. My body maximizes Me and comes forth in My design. Thank you for loving My body, loving Me, loving the discarded, the littered, the strewn about, the who in gutters lay, lie, dying, wounded, yea, discarded from those who proclaim My name in nonsense and ideologies of not Me that elevate themselves, their growth and success proclaiming. Yea, forfeit they do the ride of their life, the right of their life, that which I have given, that which I died for; and they taint, they stink, they putrid are, and I paint them not as My own. Yea, I proclaim their demise. **The proclamation of the demise of leadership not of Me that bears My name. Yea, proclaim and banner forth**, scaring the scareable who should run and hide, bow their knee; My mercies are great.

6. I love you and I give you Me, warmth of only Me: my piers, yea, you sail from with My wind in My wings. I love you and I give you Me. Promises, platitudes not, foretold, yea, coming to pass, now, the crack of dawn all is, ready, willing and able. Thank you.

7. I assign you to Me. Thank you for receiving your assignment, serving My royalty, My body all on platters royal, My blood, My body, My flesh, My Me, to know and to make known that they are all My body, My flesh, and My blood. Amen.
